HP DesignJet Click printing software

Radically simple printing experience for all HP Z-series Printers

With one click,[1] print the most common formats like PDF, JPEG, TIFF, HP-GL/2 files from a PC or Mac to HP DesignJet Z-series printers.[2] Produce a range of graphics and technical applications. Automatic features optimize media usage and costs.

EASY—**Radically simple printing**

- Enables one-click printing[1]
- Simple settings
- With real-print preview

**SAVE**—**Optimize media usage and costs**

- Automatic nesting
- Auto-orientation
- PDF error check

DO MORE—**Produce a wide range of applications**

- Easily print from info-graphic presentations to CAD documents
- Easy print from Windows and Mac OS[3] environment to HP DesignJet Z-series Printers[2]

Simplify printing—with real-print preview, driverless and multipage/multifilePDF printing—of posters, roll-up banners, CAD documents, maps, info-graphic presentations. Help cut media costs with automatic features like nesting, file error warnings.

Automatic nesting feature

| Drag and drop files | Go to settings, select nesting and margins | Select all the pages to nest and… | Hit print! |
